

State Public Hearing on

FRACKING in NC?

Monday, April 2

6:30 – 8:30 p.m.

The Barn at Fearington Village

100 Village Way, Pittsboro

A public meeting on the state's draft report on NC's shale gas resources and fracking impacts will be held in Chatham Co. on April 2. Staff from the N.C. Department of Environment and Natural Resources will summarize the report and receive comments from the public.

(Note: at the 2 previous public hearings, speakers were given a 2 minute limit and needed to arrive at 5:30 pm to sign up.)

DENR's report: <http://portal.ncdenr.org/web/guest/denr-study>

Written comments will be accepted until 11:59 p.m. April 2 and sent to Shale_gas_comments@ncdenr.gov; or by mail to NCDENR, attn: Trina Ozer, 1601 MSC, Raleigh, NC 27699.

There are too many risks to our water, health and communities to make fracking legal in NC! Come to the hearing and show support for keeping NC frack free by wearing a **BLUE** shirt.
