

Air Permits Training for Meaningful Involvement in EPA Region 4

We invite you to attend our virtual air permits training created to:

- ◇ Help inform communities about air permits and their associated regulations
- ◇ Provide communities with resources which will assist them in becoming more involved in the air permitting process

Topic: Air Permitting and the Public Participation Process
June 23rd, 2022 6:00 - 7:30 p.m. ET

To join the webinar, register in advance using the link below:

[REGISTER](#)

After registering, you will receive a confirmation email with information on joining the meeting.

Contact:

Phalia McCorkle-Kester, MPH
Air Permits Section
Air and Radiation Division
EPA Region 4
404-562-8205
McCorkle-Kester.Phalia@epa.gov

The training will cover:

An Overview of the Clean Air Act

General Information on the Types of Air Permits

Basics of Title V Permits, also known as Operating Permits

Basics of New Source Review Permits, also known as Construction Permits

Opportunities for Public Participation in the Permitting Process

Resources and Tips for Commenting on and Petitioning Permits
