

Concerned about AI data centers?  
High prices?

**Vote AGAINST the Amendments!**

---

**If passed, amendments 2 & 3 could  
accelerate data centers in NC**

The amendments would hand corporations the biggest tax cuts, including data centers.

- Local governments across the state could lose ~\$1 billion (or more) in revenue
- The average homeowner would only save \$7 a month
- Duke Energy could save \$10 million in property taxes.

After **losing money** needed for schools, emergency services & more, local governments would have to:

**Raise fines, fees, & local sales tax.**

**Approve more developments  
like AI data centers.**

---

Higher electric bills, pollution,  
water stress, noise...

Data centers are not good neighbors!

These amendments are written to sound like voters would get a tax break. In reality, the amendments would hand corporations the biggest tax cuts.

Here is how the amendments are worded on the ballot:

| Constitutional Amendment                                                                                                    |                               |
|-----------------------------------------------------------------------------------------------------------------------------|-------------------------------|
| Constitutional amendment to keep the State income tax rate from being raised higher than three and one-half percent (3.5%). |                               |
| <input type="radio"/> For                                                                                                   | <input type="radio"/> Against |

| Constitutional Amendment                                                                  |                               |
|-------------------------------------------------------------------------------------------|-------------------------------|
| Constitutional amendment requiring limits on property tax increases by local governments. |                               |
| <input type="radio"/> For                                                                 | <input type="radio"/> Against |
